

Dog Grooming for a Living

The College of Animal Welfare

Answered on video

- How long are the level 2 and level 3 courses?
- How long does each course take and is there funding for adult learners?
- Can younger children volunteer at dog grooming parlours? If so, what age do you have to be?
- What are the qualifications needed for dog grooming?

Additional Q&As

There doesn't seem to be the city and guilds dog grooming at Edinburgh CAW. Any advice for someone thinking of doing a grooming course in Scotland, other colleges etc?

We don't offer grooming courses from our Edinburgh centre. You could look on the C&G website about registered centres. Some students from Scotland consider undertaking training from our Leeds centre, and staying in a hotel or B&B for the duration of the course.
